

Junior Golfer Parent,

The Golf Professionals at Oxmoor Country Club are very excited to announce your 2019 Junior Golf Programs. Each year my staff and I will work to improve the quality and effectiveness of your junior programming, and we believe that 2019 will set us up for great success both this year and in the future.

The goal for the OCC Junior Golf Program is to maximize each player's learning experience by teaching in small teams with friends of similar age and ability. Games and contests will be used to implement essential fundamentals, and competitions will be played to track and evaluate progress.

Our **Junior Golf Academy** will meet once per week and will focus on skill development and supervised practice. The Golf Professional staff will teach golf fundamentals and incorporate games and activities that emphasize the importance of those fundamentals. These academies are open to players of all skill levels and while the goal is to build on the fundamentals taught in previous academies, the material will also be individualized for each session so that if your child doesn't come to all of them they won't be left behind.

The **OCC Summer Golf Camp** will be a week of fun for the juniors and the instructors!! The camp will focus on golf skill development as well as overall athletic development through games and activities that may or may not be golf specific.

The **OCC Junior Tour** provides multiple opportunities throughout the season to compete and learn to take the skills developed in the academy and apply them on the golf course. Players will play 9 holes and try to shoot target scores for each level, then afterward we will enjoy a pizza party.

We have very high aspirations for junior golf at OCC and we hope that your junior golfer(s) will be a part of the success. Included is information about each of the programs mentioned as well as a schedule for the summer. Please don't hesitate to contact the Golf Shop with any questions regarding the 2019 Junior Golf Programs.

Sincerely,

Chris Schuler, PGA
